**B11554**  
**Humanico Nutrition**

This matching puzzle is all about a healthy diet. The puzzle is divided into six categories, to which the corresponding foods are assigned. Once completed, the layers can also be placed next to or on top of each other to form a food pyramid. This clearly shows what you should eat more and less of.

**AGE: 3Y+**  
**Package (cm): 19 x 19 x 6.7**

**B11583**  
**Nawito What Grows Where**

With the puzzle, children get to learn more about fruit, vegetables, and food, and where our food actually comes from. Children discover 6 different growing areas – above the ground, below the ground, on the tree, on the bush, in the field, in the water – and assign the appropriate food to them. The 30-piece matching puzzle promotes knowledge about the origins of our food and eye-hand coordination and expands vocabulary.

**AGE: 3Y+**  
**Package (cm): 16 x 16 x 6.5**

**B22625**  
**Dino Run**

Help the dino friends reach their hideout in the great cave by the volcano. The red T-Rex is already hot on their heels. Don't let him catch you! You can only do it together. This co-operative game focuses on teamwork, strategic thinking and communication. Since all players move all game pieces, the game can only be won or lost as a group.

# Why choose Recent Toys & Mefferrt's Puzzles

Recent Toys is not just another puzzle brand—it is a pioneer, a global community, and a trusted name in quality, innovation, and sustainability. Retailers choosing Recent Toys offer customers more than just a puzzle; they provide a lasting experience.

## 01/ Great Legacy

Pioneering the Twisty Puzzle Craze since 1980, Meffert's has shaped the puzzle world with creativity and groundbreaking designs that captivate puzzlers of all ages.

## 02 /Robust Quality & Craftsmanship

Recent Toys puzzles are engineered for precision and durability, crafted from premium materials that ensure smooth mechanics and long-lasting enjoyment.

## 03/ Repairability & Warranty

Unlike many puzzles that wear out over time, Recent Toys designs its products for easy disassembly and repair, offering affordable replacement parts and a 10-year warranty (conditions apply) for lasting value.

## 04/ Innovative Designs

Recent Toys delivers unique, copyrighted puzzles beyond conventional cubes, collaborating with top designers to bring exciting challenges like the Pyraminx and Gear Cube to market.

## 05/ Educational & Cognitive Benefits

Designed for more than entertainment, these puzzles enhance problem-solving skills, concentration, and perseverance, making learning interactive and engaging.

## 06/ Strong Global Community

Meffert's has built a worldwide network of puzzlers, fostering creativity and challenge through events, collaborations, and interactive platforms.

## 07/ POS Materials

Recent Toys supports retailers with high-quality POS materials, including eye-catching displays, making it easy to showcase products effectively and boost sales.

## 08/ Sustainability

Committed to reducing its carbon footprint, Recent Toys is transitioning to plastic-free packaging, with over 96% of products now using eco-friendly materials.

The brand prioritizes FSC-certified timber for wooden puzzles and durable, recycled ABS plastic for plastic items.

Package (cm): 12.5 x 10.5 x 10.5

8717278850313

## RTM5035 Pyraminx

The one that started it all! The Pyraminx was created by scientist and inventor Uwe Meffert 52 years ago. One of the very first twisty puzzles, if not the first, and now the Pyraminx and Uwe are world famous! It's hard to beat a classic...the original Pyraminx.

AGE: 9Y+

Package (cm): 12.5 x 10.5 x 10.5

8717278850351

## RTM5098 Hollow Skewb Cube

No core, no problem. The Hollow Skewb is strikingly free from everything but the bare minimum to solve a puzzle. It looks amazing and feels great in your hands – a pleasure for beginners and experts alike. Marvel at its construction as you twist and spin each half of the cube to align the colours on the barely-there sides. Nearly intangible but always delightful!

AGE: 9Y+

Package (cm): 12.5 x 10.5 x 10.5

8717278850986

## RTM5071 Pyraminx Duo

For the beginner puzzler, or the pro looking for a new challenge. With remarkably simple design, the Pyraminx Duo might seem one-dimensional. But this puzzle has a double-solution: first, solve by bringing each colour to one side; now, can you do it again...but in just four twists?

AGE: 9Y+

Package (cm): 12.5 x 10.5 x 10.5

8717278850719

## RTM5041 Morph's Egg

Can you get it back to the egg shape? Don't crack under the stress! These components twist and spin on every axis, and the egg will quickly fall apart. If you want scrambled eggs for breakfast this is the perfect puzzle.

AGE: 9Y+

Package (cm): 12.5 x 10.5 x 10.5

8717278850412

## RTM5059 Pocket Cube

A cube within a cube within a... At first glance, the pocket cube looks like a simple 2x2 cube. But with the axis off-centre and moving cubes of two different sizes, there is nothing simple about this cube! Can you master the crazy shapes and return the pocket cube back to its original shape?

AGE: 9Y+

Package (cm): 12.5 x 10.5 x 10.5

8717278850597

RTM5044  
Molecube

Is puzzling in your DNA? A smooth spinning device that glides with your wrists, and whose spherical pieces really give you the feeling of ultimate dexterity! Then there's the puzzle itself. Can you get all 9 colours on each side? Careful: only a puzzler who understands cubes at the atomic level stands a chance!

AGE: 9Y+

Package (cm): 12.5 x 10.5 x 10.5

8717278850443

RTM5053  
Megaminx

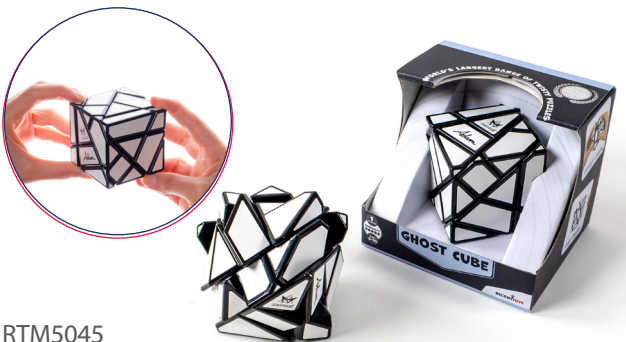

Are you ready for the greatest challenge of all? With 50 movable pieces (compared to 20 in a standard cube puzzle), the Megaminx is sure to be a star in any puzzler's collection. Twist and turn each of the dodecahedron-shaped Megaminx's 12 sides until each side has the same colour. The faces spin just like the classic cube... but beware: the Megaminx is a MEGA challenge!

AGE: 9Y+

Package (cm): 12.5 x 10.5 x 10.5

8717278850535

RTM5045  
Ghost Cube

A shape-shifting master test of skill. There's more than meets the eye with this puzzle. At first glance, it's a normal six-sided cube, but within a few twists it will have more angles and unusual shapes-upon-shapes than you'll know what to do with — let alone solve! Do you think you stand a ghost of a chance?

AGE: 9Y+

Package (cm): 12.5 x 10.5 x 10.5

John Adams and Tiny Tears are more than just toys—they are a legacy of quality, nostalgia, and innovation. With nearly 50 years of history, Tiny Tears remains a beloved favourite, fostering interactive and educational play across generations.

## 01/ Established Legacy & Consumer Trust

Tiny Tears has been a beloved doll in the UK for nearly 50 years, gaining recognition for its realistic crying and wetting features. Its long-standing reputation makes it a trusted, nostalgic brand that resonates across generations.

## 02 / Unique Interactive Play Features

Unlike standard dolls, Tiny Tears offers drink-and-wet functions, crying real tears, and rock-a-bye eyes, fostering nurturing role-play and helping children develop empathy and caregiving skills.

## 03/ Sales from Generational Appeal

Tiny Tears remains highly recognizable, appealing to both new consumers and nostalgic buyers. Parents and grandparents who grew up with the doll are likely to purchase it for their children, creating consistent demand.

## 04/ Premium Quality & Longevity

Manufactured by John Adams, Tiny Tears dolls are built with durable materials to ensure long-lasting play. The brand is committed to reducing excess packaging and making it curbside recyclable, aligning with sustainability goals.

## 05/ Educational & Cognitive Benefits

Through interactive play, Tiny Tears helps develop fine motor skills, social learning, and emotional intelligence, making it an ideal product for parents seeking meaningful, educational toys.

## 06/ Accessories & Repeat Purchases

Tiny Tears dolls come with feeding bottles, nappies, dummies, and potties, allowing for customization and extended play. This drives repeat purchases for additional accessories and complementary products.

## 07/ Retail-Ready Packaging

Tiny Tears dolls feature retail-friendly, display-ready packaging that maximizes shelf appeal, stocking efficiency, and sales potential.

## 08/ Sustainability

John Adams minimizes waste with curbside recyclable packaging and spare parts for extended product life. By choosing Tiny Tears, retailers align with eco-conscious consumer preferences and support responsible manufacturing.

# Why choose Tikiri Natural Rubber Toys

Tikiri combines safe, eco-friendly, and high-quality play with a commitment to sustainability and ethical manufacturing, meeting the growing demand for biodegradable, organic-certified baby products designed for sensory development, emotional bonding, and lasting durability.

## 01/ Globally Recognized for Quality

With a strong reputation for high-quality, ethically made toys, Tikiri is a trusted name among parents and retailers who value safe, eco-conscious products.

## 02 / Meaningful Play

Tikiri toys feature timeless designs and heirloom-quality craftsmanship, fostering lasting childhood memories and ensuring steady consumer interest.

## 03/ Play for Early Development

Thoughtfully designed for sensory exploration, Tikiri toys promote fine motor skills, cognitive growth, and emotional well-being.

## 04/ Strictly Tested for Child Safety

Meeting GOLS-certified organic rubber standards and rigorous international safety regulations, Tikiri toys are plastic-free, BPA-free, phthalate-free, biodegradable, and made with non-toxic materials to ensure safe play for babies and toddlers.

## 05/ Boosting Early Learning

Tikiri toys encourage fine motor skill development, social interaction, and sensory learning, making them perfect for early childhood education.

## 06/ Global Presence & Retail Success

Available in over 56 countries, Tikiri toys have a strong international presence, proving their appeal in diverse markets.

## 07/ Retail-Ready Eco Packaging

Tikiri's eco-friendly packaging is optimized for shelf appeal, stocking efficiency, and consumer engagement.

## 08/ Ethical & Sustainable

Tikiri ensures responsible sourcing, fair labor, and eco-conscious production. Certified by GOLS, GOTS, OCS, the brand upholds ethical manufacturing and worker welfare. Using 100% organic rubber and ethically sourced cotton, Tikiri toys are biodegradable, plastic-free, and non-toxic, meeting modern consumer demands.

GOTS-certified fabrics ensure the highest organic textile standards, limiting harmful chemicals like bleaches and dyes at every step—from farm to final product. Pure, safe, and sustainable—just like our promise!

Certified by GOLS, Tikiri's bath and teething toys are crafted from 65%+ organic natural rubber. GOLS ensures eco-friendly sourcing, safe manufacturing, and complete traceability—from plantation to your hands. Pure magic, naturally!

The Organic Content Standard (OCS) certifies organic materials and ensures a transparent supply chain—for safe, sustainable playtime!

Made from **organic natural rubber**, these cute animals from **My First Safari Collection** are easy for tiny hands to grip. And when shaken, they respond with a gentle sound that is sure to comfort little ones.
