Celebrating

40!
years

play collection 2025

Dear Valued Customers,

We are thrilled to celebrate Playwell's 40th anniversary —a major milestone that would not have been possible without your ongoing trust, support, and partnership over the years. We sincerely thank you for being an essential part of our journey and success.

Since our founding in 1985 by Henry Lim, Playwell has remained committed to providing high-quality toys and educational products to Canadian families. Today, we proudly offer diverse catalogues with over 5,000 products, serving retailers across the country with the same dedication to quality, service, and innovation that has been at the heart of our company since day one.

Looking ahead, we are more excited than ever about the future. Since joining the Hape Group, Playwell has gained access to an incredible range of resources, advanced manufacturing capabilities, and a global network that strengthens our ability to serve you better.

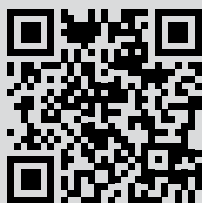

Our commitment to you remains as strong as ever. We will continue to build lasting, trusted relationships, providing the products and support you need to succeed. Together, we will navigate the future, respond to the changing needs of the market, and continue to inspire creativity and learning.

Thank you for being a key part of our journey. With your continued support, we are excited to embrace 2025 and beyond, driving success and growth for your business while continuing to bring joy to children across Canada.

We wish you continued success, prosperity, and growth in 2025. We look forward to achieving even greater things together.

Warm regards,

Vivien Zheng
President

Avenir & Haku Yoka

Avenir is a brand of innovative arts & crafts toys for children that was founded in 2015. With a motto of “Be creative, be unique”, their brand has grown to be sold in over 30 countries around the world. In 2023, Avenir introduced their Haku Yoka range of crayons and colouring activity kits, increasing their coverage to more arts & crafts categories. By fostering creative and curious minds, Avenir helps children build confidence and express themselves through their art projects.

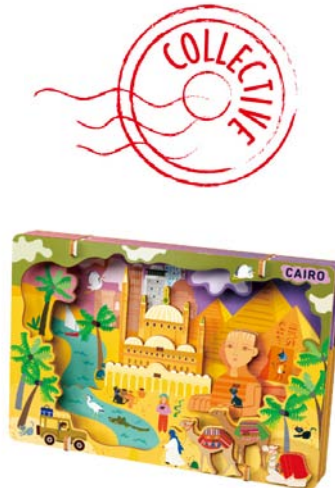

Introducing Avenir's new "Create My 3D Cityscape" range! Children can unleash their creativity by building a diorama that showcases the iconic buildings and landmarks of New York, Paris, London, Cairo, Rome, and Sydney. Once assembled, each stunning 3D diorama measures 5.9 inches wide and 3.9 inches high. All the essential materials and instructions are included to bring their vision to life.
